“Reduce, reuse, recycle” - Recycling

Recycle today, harvest tomorrow!

Every time you recycle, you are bringing life
to the planet.

“Reduce, reuse, recycle” - Recycling

Start
When we wake up in this world
We wanna recycle too
Reducing the waste of paper
Reusing with you
[...]
Chorus
Recycle
It's vital for our survival
Did'ya ever, did'ya ever heard about it?
Come on, everybody let's do it!

More than an obligation, recycling is a necessity.

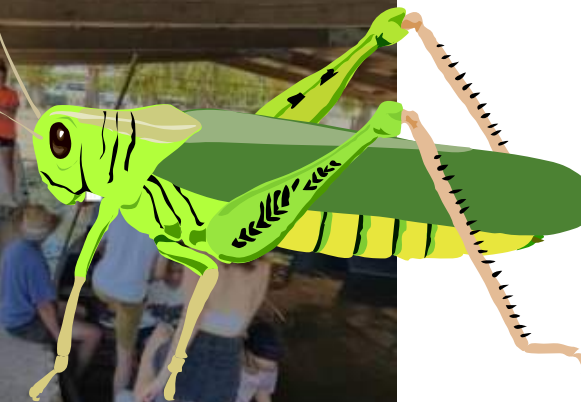

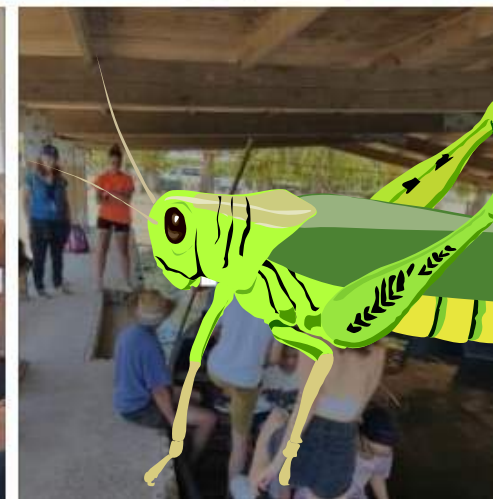

“Reduce, reuse, recycle” - Recycling

Recycle like
there's no
tomorrow!

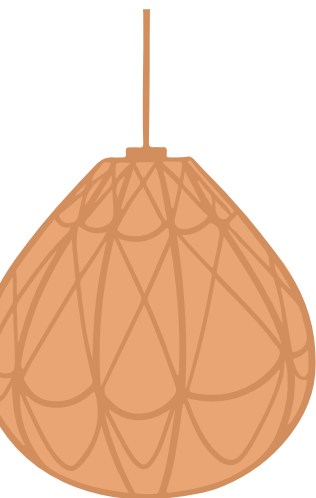

LIVE LIFE CLEANER, MAKE IT GREENER - BIODIVERSITY

"If human beings respected the laws of nature, biodiversity would not be harmed, and the frequency of natural disasters would be infinitely less."

Spare awayy to save a lot: energy efficiency

“Energy efficiency is something that current technologies need, but they will only achieve it when they mimic biological organisms very well.”

YOU ARE WHAT YOU EAT - FOOD E HEALTH

YOU ARE WHAT YOU EAT.

Live Life Cleaner, Make It Greener - Biodiversity

Be it water, plastic or paper, if you want to use it again, you must recycle it.
